# Curriculum vitæ

First Name: Christine  
Last Name: Resch  
Date of birth: 15.12.1981  
Nationality: Austria

## **Study of Environmental and Evolutionary Biology – graduated with B.rer.nat. (2009)**

University of Salzburg - Department of Organismic Biology

## **Geography – graduated with Bakk.rer.nat. (2006)**

University of Salzburg - Department of Geography

## **Study of Zoology/Animal Biology – graduated with MA.rer.nat. (2009)**

University of Salzburg - Department of Organismic Biology

- Master Thesis: Controlling environmental parameters of the habitat use of voles (*Arvicolinae*) in natural forest and areas with logging. DE: Steuernde Umweltparameter der Habitatnutzung von Wühlmäusen (*Arvicolinae*) im Naturwald und auf Flächen mit Holzeinschlag

## **Applied Geoinformatics – graduated with MSc. (2008)**

University of Salzburg - Department of Geography

- Master Thesis: Winter-Habitat-Selection by roe deer, red deer and Eurasian lynx inferred. DE: Analyse des Raumverhaltens mittels Snow Tracking am Beispiel der Räuber-Beute Beziehung zwischen Luchs, Reh und Rothirsch im Nationalpark Bayerischer Wald

## **Doctoral Programme in Zoology/Animal Biology – graduated with Dr.rer.nat. (2013)**

University of Salzburg - Department of Organismic Biology

- Doctoral Thesis: Small mammal communities in a low moor - The use of habitats and microhabitats. DE: Die Kleinsäugergemeinschaft in einem Niedermoor: Nutzung von Lebensräumen und Lebensraumelementen

## **Work experience (2013–present):**

- Managing Director  
*apodemus – Privates Institut für Wildtierbiologie OG*  
Ingenieurbüro Biologie – Ökologie – Zoologische Präparation  
8967 Haus im Ennstal | Marktstraße 51  
FN: 468888t | FB-Gericht: Leoben

## **Publications**
